Icelandic literature refers to literature written in Iceland or by Icelandic people. It is best known for the sagas written in medieval times, starting in the 13th century. As Icelandic and Old Norse are almost the same, and because Icelandic works constitute most of Old Norse literature, Old Norse literature is often wrongly considered a subset of Icelandic literature.

The age of Shakespeare was a great time in English history. The reign of Elizabeth (1558 - 1603) saw England emerge as the leading naval and commercial power of the Western world. Elizabeth I's England consolidated its position with the defeat of the Spanish Armada in 1588, and firmly established the Church of England (begun by her father, Henry VIII, after a dispute with the Pope).

The Protestant Reformation is the great dividing line in the history of England, as of Europe generally. This momentous Revolution, the outcome of many causes, assumed varying shapes in different countries. The Anglican Reformation did not spring from any religious motive. Lord Macaulay is well warranted in saying in his essay on Hallam's "Constitutional History", that "of those who had any ...
