On an APA-style reference page, the rules for titles are a little different. In short, a title you would italicize within the body of a paper will also be italicized on a reference page. However, a title you'd place in quotation marks within the body of the paper (such as the title of an article within a journal) will be written in normal lettering and will not be in quotation marks.

When writing a paper, do I use italics for all titles ...
