### **Cuba 15 by Nancy Osa - Books on Google Play**

Cuba 15's beginnings I wrote Cuba 15 because I wanted to learn more about my own background but found it hard to get information about Cuba and even about my own family there. I wondered what it would have been like to be "more Cuban" and celebrate my own quinceañero, or fifteenth year, as I faced adulthood.

### **The Book - Nancy Osa**

CUBA 15 is a wonderful book filled with humor. Armed with "The Dummies Guide to Quinceañera," Violet learns that she can have a theater theme for her special day, a subject that's very important to her. She does not have to employ all of the old traditions, but she does use enough of them to create a magical mix of cultures with old and new traditions.

**Cuba 15 | Teenreads**

Osa weaves the subplot into the novel quite well, also. It makes Violet's self-discovery a double success story: not only does she make her quince relevant to her modern, American life, but she uses her zany family's exploits as fodder for her speech team event. CUBA 15 has received considerable attention and been nominated for numerous awards.

**Amazon.com: Cuba 15 (Readers Circle) eBook: Nancy Osa ...**

Cuba 15 by Nancy Osa is a book for females ranging in ages of 11 to 16. This book is for readers who love to read about romance and friendship. Also, the author writes this book in such a way that she forshadows the story so that you know what is coming but you don't know how it's coming.
