Curad Silver Solution Antimicrobial Gel 0.50 oz - Pharmapacks

i used the GERM SHIELD Antimicrobial Silver Wound Gel this last Sunday when my granddaughter cut her finger bad enough for stitches. We used our Curad none stick bandages and Germ Shield to keep her wrapped up till we got her to the hospital and unlike Curad they used the bandages that stuck to the cut so it had to be pulled off.

To all that suffer from cellulitis, I did 2 cycles of antibiotics but it did not clear up completely, then I started taking 1000mg of vitamin c daily plus olive leaf extract (pill form) and this is the thing I feel did the most good . Colloidal silver plus Curad silver solution ointment, pretty much heald took about 2 weeks.

Curad - Complete Drug Information, Side Effects and ...

Now, it is actually good science and good medicine to use silver as an antibacterial agent. Silver -- colloidal or ionic silver, silver in solution -- is a potent antibacterial product. It has been demonstrated as such for well over 100 years. But the amazing thing about Curad Silver bandages and the fact they exist is that the FDA has allowed it.
