A great power is a sovereign state that is recognized as having the ability and expertise to exert its influence on a global scale. Great powers characteristically possess military and economic strength, as well as diplomatic and soft power influence, which may cause middle or small powers to consider the great powers' opinions before taking actions of their own.

Real Revival by Sandy Simpson. This DVD is a message based on this article.. Acts 3:19 Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord;. There has been so much hype of "revival" in our modern day that it is easy to forget the true biblical criteria and definition of revival.
