Etiquette in Society, in Business, in Politics and at Home Emily Post Far from being a proscriber of minutiae, Post the philosopher offers a way of living: "Manners are made up of trivialities of deportment which can be easily learned if one does not happen to know them; manner is personality—the outward manifestation of one's innate character and attitude toward life." Post gives us ...

I recently read a blog about teaching Etiquette for Children that I would like to share. I feel that etiquette, or manners, has dwindled over the last many years by adults and kids, alike. However, I think that being polite, greeting people appropriately and making a good first impression are all still very important to not only teach our kids, but continue to model ourselves.
