English Society in the 18th Century by Roy Porter

Review: English Society in the Eighteenth Century (Folio Society History of England #7) This is absolutely one of the best books ever written about the English 18th century. Porter has a wry sense of humor, and the details and anecdotes woven into the data make the information palatable and even fun. If you really want an introduction to the age, this is the place to begin. Read full review.

English society in the 18th century - Skuola.net

An important but controversial new interpretation of the eighteenth century is provided by Clark, J. C. D., English Society, 1688-1832: Ideology, Social Structure and Political Practice during the Ancient Regime (Cambridge, 1985). The title of this work is slightly misleading since it is in fact a study in politics.
