Julian Barnes - Wikipedia

England, England. Then there is a brief fantasy about England in retreat, a place of organic farms and the occasional steam locomotive. The tone alters, disturbingly, from one section to the next. The central part is more cartoon-like, more Tom Sharpeish, than anything Barnes has done before.

England, England | Books | The Guardian

A mischievous satire on the marketing of illusion and a trenchant analysis of a rootless woman's interrupted pursuit of authenticity are joined in a highly original way in this consummately entertaining novel, the eighth by the dependably clever British author. The major actions occur in an economically depleted near-future England, which almost gratefully succumbs to the utopian blandishments ...
