Clear Water Amy Lane

Another great book by Amy Lane...Amy Lane is not an auto-buy author for me in this genre, she's required reading and with damn good reason. This book is about Patrick and Whiskey. Patrick is a 23 year old man, who has ADHD and not a lot of support from anyone around him.

review 1: So This book is sweet and stuff, the characters were cute and fun although a bit insecure throughout the whole book. Whiskey is just lovely and he really helps Patrick see his self worth. This book also has some very funny lines and great moments. However i just didn't really care by the time i got to about 70% and it kinda started feeling like a chore to finish.
