In mythology, the Greek underworld is an otherworld where souls go after death. The original Greek idea of afterlife is that, at the moment of death, the soul is separated from the corpse, taking on the shape of the former person, and is transported to the entrance of the underworld. The underworld itself—sometimes known as Hades, after its patron god—is described as being either at the ...

The Descent of Inanna. Image source .. Dr Nugent is quick to point out that drawing parallels between the story of Jesus and the epic of Inanna “doesn't necessarily mean that there wasn't a real person, Jesus, who was crucified, but rather that, if there was, the story about it is structured and embellished in accordance with a pattern that was very ancient and widespread.”

Birds and Creation Myths from several regions associate birds with the creation of the world. One of several creation stories in ancient Egypt said that when land rose out of the primeval waters of chaos, the first deity to appear was a bird perching on that land. The Egyptians called the god the Benu bird and portrayed it as a long-legged, wading heron in the sun temple at Heliopolis.
