In a 2013 interview with Joe Fassler, horror fiction maestro Stephen King reflected on the magnitude of a novel's introductory sentence. "An opening line should invite the reader to begin the story," he said. "It should say: Listen. Come in here. You want to know about this." The first sentence sets the stage—however long or short the text—and hints at the "narrative vehicle ...

They may not surprise the average market analyst, but the gaming industry's figures tell a pretty compelling story. Newzoo estimates that "2.3 billion gamers across the globe will spend \$137.9 billion on games in 2018." VentureBeat reports that mobile games account for over 50 percent of the total. Currently, "about 91 percent of the global market is digital, meaning that \$125.3 ...
