A compelling entrée into the claustrophobic world of an OCD teen. On the field, in the hallway and to his one good friend, Luc, Jake is Magic Martin, quirky but respected star soccer player. Critical Praise. Ayarbe exercises both enormous skill and restraint getting to the root of just how debilitating OCD can become, juxtaposing descriptions of the ways the mind's compulsions can trip a trap of mental and physical anguish against a complex, credibly casted portrayal of teen social dynamics.

Compulsion by Heidi Ayarbe, Hardcover | Barnes & Noble®

Wanted is a book completely different from anything I've read before. It's as if Bonnie and Clyde got fed up with anti-Hispanic racism, developed a Robin Hood complex, and were transformed into high school students. Heidi Ayarbe tackled a lot of tough subjects in this book, some of which I wasn't expecting.
