The Conflict Resolution Phrase Book Reviews, Rating ...

The first chapter of the book talks about the peace-making and de-escalation strategies. It discusses the theoretical approaches of statism, pluralism and populism in reference to the international conflict. The author of the book convinces the reader that effective conflict resolution should make use of convincing power and positive sanctions ...

Book Review: International Conflict Resolution , Sample of ...

This book is a comprehensive study of international conflict de-escalation process. With the use of chronologies and tables, the author makes the study more meaningful and easy to understand. It contributes to the study of international relations by presenting a conflict resolution perspective.

Book Review: International Conflict Resolution Essay ...

I have had a lot of training and experience with conflict resolution. I picked this up because I wanted to see if it had anything new to add. This is a book meant for people who are not professional mediators. It gives some basic techniques specific for managers to handle various types of conflict within their organization.

Amazon.com: Customer reviews: Conflict Resolution

Read this for my Conflict Resolution in the Workplace course. It was definitely one of my favorite college classes, which is due more to the instructor than this book. But to the book's credit, it is:

- short (less than 200 pages)
- practical
- super important (and not just for the workplace)

Conflict Resolution by Daniel Dana - Goodreads

Resolving Everyday Conflict provides that guidance in a clear, biblical way that reveals the value of being a peacemaker: when we strive to maintain peace and unity with those around us we bring glory to God, deepen our relationships, and point others to the power of the Gospel.. I would highly recommend this book for all Christians, especially those in the ministry.

Resolving Everyday Conflict (Book Review ...

Resolving conflict in a positive manner is a skill than can be developed and practiced. Being heard can be one of the most important goals of someone engaged in conflict. Knowing how to listen and deploy appropriate communication tactics is determinative of whether a conflict will have a positive or negative resolution.
