Slavens 7th grade math: Moving Straight Ahead

Moving Straight Ahead has a few minor changes. Most of the changes are edits suggested by CMP teachers or revision of some problems to match the CCSSM. For example, Problem 3.5, Finding the Point of Intersection, has been revised to include finding the solution set for the number of cakes needed for one cost plan to be less than another cost plan.

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can

for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
