### **Albert Einstein was more than a 'Genius': Five things you ...**

There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle. But without deeper reflection one knows from daily life that one exists for other people; first of all for those upon whose smiles and well-being our own happiness is wholly dependent, and then for the many, unknown to us, to whose destinies we are bound by the ties ...
