Church Emblem The history of the emblem. The emblem first appeared in 1691. There is no record indicating that any General Assembly of the Church has ever given express approval for the use of the burning bush symbol in any shape or form, but the printer of The Principal Acts of the General Assembly, George Mossman, under his own initiative, introduced a title page that year which carried a ...

Spain and Portugal , 718 AD-Present. Spain, unlike Britain, never fell outside of history after the collapse of the Western Empire, which gives us a continuous record of rule from Rome through the Visigoths and beyond. Also, Spain underwent her own unique transformation in the trauma of the Islâmic conquest. The Visigoths were crushed and for almost three centuries a revived Christian kingdom ...
