It is nice to have help from the guys especially turning heavy patients. Sometimes we take turns doing each others baths if the pt is more comfortable with a man or a woman. There are also a lot of male nurses in the other units throughout the hospital, except L&D. Also there are plenty of male aides, phlebs, radiology techs, etc.

### **Confessions of a Male Nurse**

I asked for a male nurse to be present, which they did have... she said no again, as that male nurse had better things to do.... I asked for the normal procedures for a male doctor female patient, yet they refused to accommodate a male patient in the same manner they accommodated a female patient... Question is....

Confessions of a Male Nurse takes you on a rollercoaster ride through the on and off-duty life of a gay male nurse in the early 80s before AIDS became omnipresent. A hilarious, touching, dark and comic novel that starts with the irreverent, anti-establishment hero's training and moves on through some of the wackiest adventures ever.

### **Confessions of a Male Nurse The Confessions Series**

My own understanding of the crash bell, is that it should be used in emergency situations. If a nurse was to enter a room and patient was indicating signs of a cardiac arrest they would pull this the red triangle (illustrated below) and a herd of nurses, or for that matter, anyone around, would come running to offer their support.

When registration for nurses was introduced in 1919, however, trained male nurses were kept on a supplementary register, and men weren't able to join the RCN until as late as 1960. Martin Johnson, who qualified in 1974, talks about what it was like training and working as a man in a largely female world.
