When they get the first red letter delivered, things become even more mysterious, especially because they end up saving a woman's life by going to the place they were told at the time that is mentioned in the red letter. The secondary characters are really well fleshed out as well in Devil's Bargain.

Big, red, square, like a thousand Valentine cards she'd never gotten over the years, but it was long past Valentine's Day and she was in a far-from-romantic mood. She let him hang there for a good thirty seconds, watching his outstretched hand slowly sag with rejection, and thought, Well, what the hell, at least I can throw it back in his face ...
