I love this and appreciate you have this available for us. Question: I do not want to place my personal address on the copy-write page. Can i just place my website and the email address where to contact me?

Copyright Page Samples You Can Copy and Paste Into Your Book

A copybook, or copy book is a book used in education that contains examples of handwriting and blank space for learners to imitate.. Typical uses include teaching penmanship and arithmetic to

students. A page of a copy book typically starts with a copybook heading: a printed example of what should be copied, such as a single letter or a short proverb. The rest of the page is empty, except for ...

Copybook (education) - Wikipedia

The planet was called Golden in honor of the planeteer whose ship had crashed there years before. It was an Earth-type world, with humanoid natives, and other creatures that were--something less. Or maybe more, for almost all of the planet was covered by an invisible Field which blanked radar ...
