Continental Philosophy: A Very Short Introduction : Simon ...

Continental philosophy is the name for a 200-year period in the history of philosophy that begins with the publication of Kant's critical philosophy in the 1780s. The term refers to everything that happened during 19th and 20th century philosophy in mainland Europe, and it is commonly distinguished from...

What is Continental Philosophy? | Philosophical Explorations

matter of dispute whether the term Continental philosophy! best describes this subject area (rather than, say, modern European philosophy!, which is often employed as an alternative). Let's just say Continental philosophy is a contested concept. With this in mind, this book has a three-fold aim: 1.

Continental Philosophy: A Very Short Introduction - Simon ...

History. As the institutional roots of "continental philosophy" in many cases directly descend from those of phenomenology, Edmund Husserl has always been a canonical figure in continental philosophy. Nonetheless, Husserl is also a respected subject of study in the analytic tradition. Husserl's notion of a noema,...
