The TESLA group of companies craft accurate, reliable, and comprehensive forecasting solutions for the energy industry worldwide.

### **TESLA - Energy Industry Forecasting Solutions**

Earlier in Lesson 6, four kinematic equations were introduced and discussed. A useful problem-solving strategy was presented for use with these equations and two examples were given that illustrated the use of the strategy. Then, the application of the kinematic equations and the problem-solving strategy to free-fall motion was discussed and illustrated.
