Don't Look Back is a very different story to the other two books which have been recently released by Josh Lanyon. Its tone is quieter, more reflective and the story mirrors that tone in that most of the conflict comes from the lead character's internal confusion, rather than external forces (although there is a bit of that as well).

Don't Look Back About book: Roma shouted. She was a small, slim woman of about forty with hazel eyes and dark hair cut in what they used to call a pixie. Apparently, she and Peter were great friends; she had turned up at the hospital to collect him and was now flying him home in her green vintage MG.

A robbery. Like...a mugging? He couldn't seem to remember, although it didn't seem like the kind of thing one would forget. It was all very bewildering. He wanted to go back to sleep. "I don't remember," he said, and his eyelids drifted shut. The next time he opened his eyes the bull — the cop — was back.
