A focus keyphrase is the keyword you to rank for in search engines. Some people keep reusing the same ones. Don't use a focus keyword over and over again!

Why you should use a focus keyphrase only once • Yoast

This article is an excerpt from Atomic Habits, my New York Times bestselling book.. Prevailing wisdom claims that the best way to achieve what we want in life—getting into better shape, building a successful business, relaxing more and worrying less, spending more time with friends and family—is to set specific, actionable goals.

Forget About Setting Goals. Focus on This Instead.

Definition. Publication bias occurs when the publication of research results depends not just on the quality of the research but also on the hypothesis tested, and the significance and direction of effects detected. The subject was first discussed in 1959 by statistician Theodore Sterling to refer to fields in which "successful" research is more likely to be published.
