Ecofeminism Maria Mies

Recently I have read several books about Ecofeminism and this one has by far been my favorite. The book is a joint effort by Mies and Shiva, a Western and an Eastern, and I find the collaboration of this differing world views as essential to the book's attempt to present a whole picture of the issues within Ecofeminism.

Ecofeminism by Maria Mies - Goodreads

Ecofeminism and the subsistence perspective: fostering cooperation, not competition" Ecofeminism sees parallels between the exploitation of nature and the exploitation of women, parallels that are understood in the context of patriarchy. One particularly vigorous ecofeminist analysis stems from the work of Claudia von Werlhof and Maria Mies."

Women and Life on Earth: what is ecofeminism?

The UN theme for International Women's Day 2019 is, "Think equal, build smart, innovate for change." In Ecofeminism, first published in 1993, then republished with a foreword and additional preface in 2014, Vandana Shiva and Maria Mies demonstrate that the premises underlying such a motto conflict with women's liberation and the movement for ecological preservation.
