In the 19th century, manifest destiny was a widely held belief in the United States that its settlers were destined to expand across North America. There are three basic themes to manifest destiny: The special virtues of the American people and their institutions; The mission of the United States to redeem and remake the west in the image of agrarian America

Quia - Spanish

My recent trip to Ethiopia allowed me to work with over 80 young girls who exhibited an infectious energy and passion to learn. Their daily struggles were beyond what most of us can comprehend, yet their joy for playing the game of basketball seemed to transcend them from the hardships of their reality to a place where small seeds of hope could grow.
