Double Cross The True Story

The Double-Cross System or XX System was a World War II counter-espionage and deception operation of the British Security Service, a civilian organisation usually referred to by its cover title MI5. Nazi agents in Britain – real and false – were captured, turned themselves in or simply announced themselves, and were then used by the British to broadcast mainly disinformation to their Nazi ...

Double-Cross System - Wikipedia

In the field of counterintelligence, a double agent (also double secret agent) is an employee of a secret intelligence service for one country, whose primary purpose is to spy on a target organization of another country, but who, in fact, has been discovered by the target organization and is now spying on their own country's organization for the target organization.

Double agent - Wikipedia

The sign of the cross, represented in its simplest form by a crossing of two lines at right angles, greatly antedates, in both the East and the West, the introduction of Christianity
