Conversations with My Sons and Daughters - Goodreads

Yesterday was a sunny day in Paris and the walk to school was brisk and warm. As we started across the park - which is the usual path to the school drop-off and a better way to start the day than trudging along the sidewalk - my son asked me : "Papa, what happens to all that plastic that we put into the special

I had the extreme pleasure of taking my son out to eat yesterday for his birthday. He'd be turning 20 in just a few days, and it had been a long time since we had hung out or even had a long conversation. A very long time for us especially, because we'd always kept in touch and spent time together.
