This is the biography page for Thomas Turner. Friends ask what started you to writing books. I tell them I was trying to impress a girl I was interested in. After I finished two chapters of the book, she and I went our separate ways. To this day, we see each other at a distance time to time. I look at her as the one who launched my imagination.

Smashwords - About Thomas Turner, author of 'Epic Unearthed'

While glaciers began to melt all over the planet 12000 years ago, water levels started to rise 300 feet, swallowing any evidence of cultures living near the ancient coastlines. However, archeologists have found new civilizations older than the Egyptians and Sumerians. As history has to be rewritten, we have to ponder who were the heroes and antagonists of a forgotten time of the Atlanteans
