Competitive Solutions Lobbying The Government

Lobbying in the United States describes paid activity in which special interests hire well-connected professional advocates, often lawyers, to argue for specific legislation in decision-making bodies such as the United States Congress. It is a highly controversial phenomenon, often seen in a negative light by journalists and the American public, with some critics describing it as a legal form

Police corruption is a specific form of police misconduct designed to obtain financial benefits, personal gain, career advancement for a police officer or officers in exchange for not pursuing or selectively pursuing an investigation or arrest or aspects of the thin blue line itself where force members collude in lies to protect other members from accountability.

Corruption - Wikipedia

Government policy and regulation have direct and sometimes significant impacts on the way business is done. Businesses and other commercial and public actors need an understanding of public law issues and a strategy for engaging with government to ensure they stay on top of the

regulatory environment.

Government, Public Law and Policy : Russell McVeagh
