### **Do Zombies Dream Of Undead**

A zombie (Haitian French: zombi, Haitian Creole: zonbi) is a fictional undead being created through the reanimation of a corpse. Zombies are most commonly found in horror and fantasy genre works. The term comes from Haitian folklore, in which a zombie is a dead body reanimated through various methods, most commonly magic. Modern depictions of the reanimation of the dead do not necessarily ...

One of the squickest things to come out of horror movies is the descending age bracket for The Undead. It used to be only adults could be/were made into undead, and while children were presumably killed off-screen during the Zombie Apocalypse, they weren't turned into the living dead. Well, now it seems these infants have found immortality of a decidedly unwholesome sort.
