Appearance. The shadow may appear in dreams and visions in various forms and typically 'appears as a person of the same sex as that of the dreamer'. The shadow's appearance and role depend greatly on the living experience of the individual because much of the shadow develops in the individual's mind rather than simply being inherited in the collective unconscious.

Richard Nixon was a traitor. The new release of extended versions of Nixon's papers now confirms this long-standing belief, usually dismissed as a "conspiracy theory" by Republican conservatives. Now it has been substantiated by none other than right-wing columnist George Will. Nixon's newly revealed records show for certain that in 1968, as a presidential candidate, he ordered
