Dental Hygienist help? | Yahoo Answers

I am considering going to school to be a dental hygienist. I went to college for general studies for 2 years and now I have to pick my major. Do I go to a tech school, community college, or 4 year university. How long does the degree take? How flexible is the job, since I want to start a family in the next five years? What are the pros and cons of this profession, please be honest?

Dental Hygienist questions...? | Yahoo Answers

Best Answer: I work with a hygienist who has a little nose piercing and a tattoo on the small of her back. It really depends how many piercings and how obvious your body art is. If it can be hidden, or you can wear more subtle piercings, some offices will be OK with it. It's not legal to not hire someone ...

dental hygienists? | Yahoo Answers

Yahoo New Zealand Answers ... Dental hygienists typically need an associate's degree in dental hygiene. Bachelor's and master's degree programs in dental hygiene also are available, but are less common. A bachelor's or master's degree usually is required for research, teaching, or clinical practice in public or school health programs. ...

How do I become a dental hygienist? | Yahoo Answers

I'm pretty young but I think that it's good that I create an aim in my life. I heard that dental jobs have a lot of money and I think that it's much easier than becoming a doctor. I really don't wanna become a dentist. I read a few articles about the demand of Dental Hygienists and dental assistants and I heard they get paid really good as well.

Dental Hygienist or Dental Assistant? | Yahoo Answers

Best Answer: You must go to college for up to 4 years, just easily learning about the hygiene of dentistry. The ages may be from 22-24 years of age. If you apply right now as a sophomore..... Well, I'm sorry, but it seems like you're not yet to the right age. In fact, you have to be at least 22 or else you ...

age to be a dental hygienist? | Yahoo Answers

Best Answer: I'm not sure how schools are up there, but I know in Florida, dental school takes up a LOT of time, and you really don't have time to have a job while in school. Dentists do make good money, but they also acquire a large school loan (when I was looking to go to dental school I would have had to take out a \$250,000 loan and that was like 4 years ago).
