In her writings on this subject, Ellen White presented the great, guiding principles that make up true education in its broadest sense. The reader will find in these pages insights to guide not only parents, students, and teachers, but all who seek true education in the great school of life.

Ellen G. White: Education

This classic work on education sets forth the unique and challenging idea that "the work of education and the work of redemption are one." The ultimate goal of all learning should be to understand more about our Creator-Redeemer and to reflect that understanding in our personal lives. In her writings on this subject, Ellen White was concerned, not with details of curriculum or educational ...
