The 21st Century Community Learning Centers (21st CCLC) serves as a supplementary program that can enhance state or local reform efforts to improve student academic achievement by providing high-quality out-of-school services. The services provide opportunity for students and their families to continue to learn new skills and discover new abilities after the school day has ended.

The stakeholder theory is a theory of organizational management and business ethics that accounts for multiple constituencies impacted by business entities like employees, suppliers, local communities, creditors, and others. It addresses morals and values in managing an organization, such as those related to corporate social responsibility, market economy, and social contract theory.
