The complete review's Review: . Mr.Stoppard has written many fine and clever plays, but perhaps none is finer than this one. Switching back and forth between the present and the 19th century, he unfolds a marvelous story that addresses major questions of art, science, and history -- and how they intersect.

Arcadia - Tom Stoppard - Complete Review

Two-alternative forced choice (2AFC) is a method for measuring the subjective experience of a person or animal through their pattern of choices and response times. The subject is presented with two alternative options, only one of which contains the target stimulus, and is forced to choose which one was the correct option. Both options can be presented concurrently or sequentially in two ...
