Domechild Shiv Ramdas

Domechild. The man trapped between them. In the City, where machines take care of everything, lives Albert, an ordinary citizen with an extraordinary problem: Hes being blackmailed into becoming the first person in living memory to actually do something. What begins as a chance encounter with an outlaw child swiftly.

Domechild by Shiv Ramdas

Review of Domechild by Shiv Ramdas When I started reading Domechild, I think I was expecting a strict, hard-science-fiction, sterile, mechanized dystopia. What I got instead was an intensely layered tale of human beings in a unique future setting.

Shiv Ramdas liked Bulbul 's review of Domechild: "I am not into sci fi at all. Since the author is a senior from college I picked up the book when it was released but then gave up reading after the initial few chapters.

Shiv Ramdas (Author of Domechild) - Goodreads

Shiv Ramdas is a former media professional who is now completely into writing. Albert is too emotional for someone who is a resident of the Dome. In his dystopian world, one day when he is going back home after finishing talking to random people on the network, that is what everybody does for work, he takes a route that is forbidden for people ...
