Emotional Design — How to Make Products People Will Love

“Ours were false relationships from the very beginning in which we were targeted, exploited and betrayed.” ~Donna Anderson, LoveFraud. The quote above gets right to the heart of the matter of emotional rape. These were never normal relationships that started with love and then just went wrong.

Emotional Rape | Psychopaths and Love

Covert emotional manipulation occurs when a person who wants to gain power and control over you uses deceptive and underhanded tactics to change your thinking, behavior and perceptions. Emotional manipulation operates under the level of your conscious awareness. It holds you psychologically captive. Victims usually don't realize what's going on while it's happening.

This information has been available to any and all who has ever even been remotely curious about "why we get what we get" for a very long time ... but most of us have not taken the time nor given this concept the credence it most assuredly deserves. After all ... there are so many of us in this society who "feed" off of the misfortune of others ... including the illnesses and diseases of others.

Online Consulting, Counseling Coaching from EQI.org. The 1997 Mayer-Salovey 4 Branch Model of Emotional Intelligence. In a 1997 article Mayer and Salovey listed what they call the four "branches" of emotional intelligence:. 1.

The Four Branch Model of Emotional Intelligence - EQI

I think knowing yourself is the root issue. The rest stems from there. When you understand your values and, very importantly, understand their place in the world, how they relate to other people's value system, why you hold these values and some others don't share them and so on - then what goes on around you makes sense and doesn't seem as personal.

5 Ways You Can Finally Achieve Emotional Independence ...

In this post (which is going to be my longest), I would like to share a powerful insight that I have used to help thousands of people to understand themselves, create breakthrough changes in their behaviours (e.g. stop smoking, quit other addictions, resolve internal conflicts, motivate themselves) and reconcile relationship issues.
