The Southern Victory Series is a series of alternate history novels written by Harry Turtledove. The point of divergence involves Confederate States of America winning the American Civil War and becoming an independent nation. The series covers events from 1862 to 1945 and features dozens of fictional characters, some of them analogues of real people.

Most animals use defensive mimicry to avoid being eaten, but for parasites, being captured and ingested by a host is precisely the point. The Leucochloridium gender flatworms in North America and Europe infest certain land snails after exposure through bird droppings and swelling in the snail's eye stalks, which mimic tasty insects such as caterpillars or worms and usually return snail face ...
