Can You Help to Identify This Song? This list has gotten way too long to scroll through, so Instead of trying to browse here, it's easier to go the Title List or the Artist List, browse there, then click on any "Artist" link which will take you to where a song is listed here to see comments and lyrics. California is the subject of some of these songs, but many of them simply refer to either a ...

This approach to calculate success has been selected because it is a relatively objective measure that can be used to compare and contrast acts from the 1930s and the 1990s. It ignores measures that can't be verified (like claimed sales and revenues), ones that vary systematically from one

decade to the next (like tour sizes and movie/ pop video audiences), or measures that are impossible to ...

Alan Jackson has been known throughout his career for putting his foot down for the integrity of country music, regardless of the ramifications. That's what happened at the 1994 ACM Awards when Jackson instructed his drummer to play without sticks when the producers insisted his band mimic playing to a backing track.
