The alchemist in exile. Embers is the first of his novels to make it into English (as usual, we lag behind the French, the Germans, the Italians and even the Americans). Yet London can lay claim to the publication of the first of Márai's works in exile, Peace in Ithaca in 1952, courtesy of a small consortium of Hungarians: Márai's fate for the next 30 years.

Marai authored 46 books. His 1942 book Embers (Hungarian title: A gyertyák csonkig égnek, meaning "The Candles Burn Down to the Stump") expresses a nostalgia for the bygone multi-ethnic, multicultural society of the Austro-Hungarian Empire, reminiscent of the works of Joseph Roth.

The end result is a mesmerizing dramatization of the tensions between culture and militarism, tradition and impulse, which captures in a perfectly controlled larger metaphor the vanity and rigidity of an old order threatened by unrestraint and passion and destined to flare up and destroy itself, leaving only "embers" behind.

Embers. Henrik, a retired general of the Austro-Hungarian Empire, has lived for years as a recluse in his castle in the Hungarian forest waiting for the arrival of Konrad, the best friend of his youth, whom he has not seen for forty-one years. The two men met when they were roommates in military school during the heyday of...

Raking the Coals. Marai shared an era and an imperial Mitteleuropa heritage with two supreme artificers of the link between individual decadence and world crackup: the Austrians Robert Musil and Joseph Roth. And there is a climactic moment in "Embers" that proclaims just such a connection (rougher and less nuanced,...

Embers by Sándor Márai Thanks to Kevin at Interpolations for recommending this novel. I've seen other reviews but his post struck me because of its timing...just as I'm looking for a translation of Márai's novel about Gyula Krúdy (no luck in that search), and then, miracles of miracles, it was in my little town's library.

**A Common Reader: Embers by Sándor Márai**

Embers by Sandor Marai (1942) My quick advance read research on Embers by Sandor Marai (1900 to 1989, born in Hungary, he emigrated to the USA in 1949 and died in obscurity in San Diego, California) described it as a "rediscovered" European classic, first translated in 2002 by Carol Brown Janeway.

Embers has already been published to much acclaim in Europe 250,000 copies sold in Italy and 230,000 copies in Germany and is licensed in 18 countries around the world. Feature coverage is to be expected, and though sales may be less explosive on these shores, Knopf's plan to translate future works by Marai should encourage a reappraisal of the ...

**Embers by Sandor Marai: Summary and reviews**

One might read Embers as a study of the powers and the limitations of words: the spoken word, as

seen in the conversation between Konrad and Henrik, and the written word, as represented by the diary of Krisztina. At one point, Henrik muses: "Sometimes it seems to me that it is precisely the words one utters, or stifles, or writes, that are the ...
