To provide a little perspective on a really messed-up millennium (so far), the one and only Dave Barry slips into his historian's robe (it's plush terrycloth) and revisits the defining moments in our country's recent history - from the Bush years to - jeez, it's still the Bush years!

Dave Barry's History of the Millennium (So Far), by Dave Barry

Dave Barry's History of the Millennium (So Far) is one of the author's more tedious works. The format of the book itself gives it a repetitive nature, but the author's style of writing also leads to repetition. While some repetition can not be avoided, I was hoping for a more original and inspired work.
