Creation. The song was written in reference to (though not specifically about) his wife Diane and was released on the album Into the Light.On the British TV series This Is Your Life, de Burgh said that the song was inspired by the memory of when he first saw Diane, and how men so often cannot even remember what their wives were wearing when they first met.

Like the Romantics before them, genre-sf writers have generally been on the side of Faust, convinced that the quest for knowledge was a sacred one, no matter how fondly a jealous God might prefer blind faith. Characters in bad Hollywood Monster Movies might be able to sign off with a resigned admission that "there are things Man was not meant to know", but nothing could be more alien to the ...
