Venus is the name of two fictional characters appearing in American comic books published by Marvel Comics. The first, originally based on the goddess Venus from Roman and Greek mythology, was retconned to actually be a siren that only resembles the goddess. The second is stated to be the true goddess, who now wishes only to be referred to by her Greek name, Aphrodite.

The Fates - Three mysterious sisters who affect the paths of all in the universe. Clotho spins the thread of life, Lachesis assigns each person's thread, and Atropos snips the thread of life at its end. Since fate is the only force to rule above both gods and men, the fates arguably have more power than anyone else in the Greek universe.
