The Mists of Avalon is a 1983 fantasy novel by American writer Marion Zimmer Bradley, in which the author relates the Arthurian legends from the perspective of the female characters. The book follows the trajectory of Morgaine (often called Morgan le Fay in other works), a priestess fighting to save her Celtic culture in a country where Christianity threatens to destroy the pagan way of life.

The pivot in many plotlines is the Reveal. A character is revealed as another character's father, a god, or secret suitor or arch nemesis in disguise. More broadly, the audience is given new information which had been withheld to create suspense. The Reveal changes the nature of the plot, often pushing it from suspense towards action.

Women, on average, are shorter than men. And a good number of men find petite women charming. Because of this, in most human societies, tall girls and women often feel awkward and out of place, and some men will feel uncomfortable when it comes to having a relationship with a woman who towers over them, similar to someone stronger than them.. But then there are some women for whom this trope ...
