As Peter Heather puts it [The Fall of the Roman Empire, Oxford, 2006], Rome was now an "insideout" Empire -- the center and the periphery had exchanged places (as illustrated in the animation at left). This transformation is scrupulously ignored in popular treatments of the Roman Empire, even in apparently well researched presentations on venues like the History Channel.

InformationWeek, serving the information needs of the Business Technology Community - InformationWeek, serving the information needs of the Business Technology Community Dog Dirt is No Substitute for Debate. Quadrant Online, 8th May 2019. There is now a narrow path to victory for the Coalition. It relies upon them winning a couple of seats in Queensland and Tasmania, regaining Indi and making a net loss of only two elsewhere (in addition to the likely loss of Farrer to the Shooters, Farmers and Fishers). But more than one loss is likely in Victoria, and there ...

Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age.
