I loved this book. Determinism is the 2nd story in the series but luckily you do not have to read part 1 in order to understand this story. I fell in love with the characters and their story. Cara always falls for the tatted up bad boys and gets her heart broken. She doesn't want to do that anymore.

### Determinism (Life. Destiny. Fate., #2) by L.K. Collins

review 1: Free download, this book was great, a nice romantic love story. It's about Alexa, she lives her life with rules to make sure she doesn't get hurt, staying in charge of things around her. Alexa lives with her best friend Cara, enjoys her job and has a thing for accessories.
