Combined Major Program. Combined major programs have been developed by the Department of Mathematics and Statistics in co-operation with each of these departments: Biological Sciences, Chemistry, Computer Science, Economics and Physics.Program requirements are listed in the calendar sections of the co-major discipline.

2018-2019 Undergraduate Calendar - Mathematics and Statistics
In the mice problem, also called the beetle problem, n mice start at the corners of a regular n-gon of unit side length, each heading towards its closest neighboring mouse in a counterclockwise direction at constant speed. The mice each trace out a logarithmic spiral, meet in the center of the polygon, and travel a distance $d\_n=1/(1-\cos((2pi)/n))$.

Mice Problem -- from Wolfram MathWorld
Mathematical and problem-solving skills are highly valued by employers in a range of sectors, including science and technology, government, and finance. This research-informed degree aims to provide a fundamental education in the field of mathematics, including pure and applied mathematics. Students can work alongside academic staff on challenging projects, which could contribute to academic ...
