Sociological theory vs. social theory. Kenneth Allan proposed the distinction between sociological theory and social theory.In Allan's usage, sociological theory consists of abstract and testable propositions about society. It often heavily relies on the scientific method, which aims for objectivity, and attempts to avoid passing value judgments.In contrast, social theory, according to Allan ...

Stanislavski's system is a systematic approach to training actors that the Russian theatre practitioner Konstantin Stanislavski developed in the first half of the 20th century. Stanislavski was the first in the West to propose that actor training should involve something more than merely physical and vocal training. His system cultivates what he calls the "art of experiencing" (with which he ...
